- You decide the treat. For example, cider and donuts in September

Silent Auction (3-4 months, starting in Winter; event date TBD)

Very high commitment

- We need 6-10 volunteers to co-chair this important committee
- This is our biggest fundraiser of the year and also a community building event and an enriching experience for kids and families alike
- Work includes soliciting business/family/teacher donations, managing several teams of volunteers, learning the auction database, and being able to organize and maintain a reasonable timeline of events that lead up to the auction itself
