Hello King Families!!

My name is Ann Lin, and I'm excited to be serving in my 4th year as PTO Secretary — and my 10th year as a King parent! I originally joined the King PTO Board to help bridge the knowledge gap left in the wake of Covid. I've stayed on because I truly enjoy helping make our school more equitable and welcoming, and I love meeting new families along the way.

My son Oliver is currently in 3rd grade at King. My husband and I also have a 10th grader at Huron and a 6th grader at Clague, so we're busy — and grateful to be part of such a vibrant school community.

Looking forward to another great year at King!

Warmly,
Ann Lin

PTO MISSION

We, as a board, are a group of parents who have collective experiences and time at King. We're committed to enriching our children's education and building a strong sense of community in our schools.

We do this by enhancing communication between families and the school, providing volunteers and funding for programs and activities, and by working together with parents, teachers, and staff to support the school whenever we're needed.

- Provide each and every kid with access to the same items and experiences
- We defer to the school to tell us what they need and how we can best support them
- We encourage direct outreach to school administration with any questions/concerns
- We sponsor and put on social events to build community

PTO Newsletter

- Comes out every other Saturday morning
- Contact us if you didn't receive it
- Important info at the top!
